INTERNATIONAL UNION OF TOXICOLOGY

Mission

To improve human health through the science and practice of toxicology worldwide.

Founded in 1980, IUTOX is made up of more than 50 Member Societies representing over 25,000 toxicologists from industry, academia, and government covering six continents.

IUTOX has formal relations with the World Health Organization (WHO), collaborating in joint agreed activities to implement policies, strategies, and programs of WHO.

IUTOX is a member and grant recipient of the International Science Council (ISC).
