

# AstraZeneca Fellowships

attendance to the  
2005 Society of Toxicology Annual Meeting  
New Orleans, Louisiana, USA

IUTOX is pleased to announce that AstraZeneca will continue to support travel awards for individuals from developing countries to attend the 2005 SOT Annual Meeting. As it was last year, IUTOX will administer selection for the fellowships. Five awards, valued at \$2,000 each, will help recipients offset costs associated with attending the 2005 SOT Annual Meeting in New Orleans, LA.

The awards are given to senior scientists in countries where toxicology is underrepresented. In addition, the recipients must be active in a research program or currently practicing toxicology.

As in past years, the following criteria will be used to select recipients of the awards:

- A brief statement declaring how the awardee will benefit from the fellowship;
- A *curriculum vitae* including an email address and, if available, a fax number;
- A strong letter of recommendation from the participant's home Society. Or, if the applicant does not have a national toxicology society a strong letter of recommendation from his/her department;
- Demonstration that the participant can meet other expenses incurred to attend the meeting and;
- As an option, recipients may also submit an abstract for the meeting (the abstract may be presented if submitted by the December 15, 2004 deadline, but will not be printed in the Final Program unless submitted by the October 3, 2004 SOT abstract deadline).

Applications may be submitted beginning on November 1 and must be received no later than **December 15, 2004**. Award recipients will be notified by January 20, 2005. Awards will be issued at the SOT Annual Meeting.

Please send submissions to:

**IUTOX Headquarters**  
1821 Michael Faraday Drive, Suite 300  
Reston, Virginia 20190
