Zeneca Traveling Lectureships

The **Zeneca Traveling Lectureship Awards** are presented through the SOT to recognize excellence in research and service in toxicology. Zeneca, Ltd., provides two awards annually to promote greater collaboration between European and North American toxicologists and to enable North American toxicologists to undertake a three- to four-week lecture tour of Europe. The awards are intended to familiarize recipients with research and regulatory issues in Europe as well as bring a North American perspective to these issues.

Candidates for these awards should be established, mid-career, North American scientists who are members of the SOT and who demonstrate the ability to develop collaborative relationships with European colleagues.

Applications must include a statement of the applicant's experience and area of expertise. A proposed itinerary and its underlying rationale should be provided, along with an indication of the benefits that the lectureship will confer on the applicant. The itinerary must include a visit and lecture at Zeneca's Alderley Park Facility in Cheshire, England. Candidates should contact the itinerary hosts prior to submission of the application. The application should not exceed 1,500 words.

The following format is suggested for the application: 1. Name and affiliation; 2. Statement of experience and expertise; 3. Proposed lecture itinerary; 4. Rationale for itinerary; 5. Statement of benefits to the applicant; and 6. Curriculum vitae.

The SOT Awards committee will select recipients for the Zeneca Traveling Lectureships. The awardees will be named at the SOT 2000 Annual Meeting. Applications must be received at the SOT Headquarters by **October 1, 1999**.
