

**Fall 2005 Meeting of
The Southern California Chapter of the
Society of Toxicology**

**"Drug Discovery Toxicology and Biomarkers:
Bridging the Gap Between Non-Clinical and Clinical Research"**

Thursday, October 13th, 2005 at Allergan, Inc., Irvine, CA [MapLink](#)
General Admission \$50 (Students & Post Doctoral Fellows \$20) - Includes Lunch!
Co-hosted by Southern Cal. SOT (SCCSOT) and Drug Discovery Tox Specialty Section (DDTSS)

8:00 – 9:00AM	On-Site Registration
9:00 - 9:20	Welcome/Introduction <i>Drew Badger, Ph.D., D.A.B.T., Allergan, Inc.</i> <i>(SCCSOT President, DDTSS President)</i>
9:20 – 10:00	Opposites Attract: Drug Discovery in Large Pharma vs. Biotech. <i>Greg Stevens, Ph.D., Pfizer (SCCSOT Councilor)</i>
10:00 –10:15	Morning Break
10:15 – 11:00	Discovery Toxicology: Bridging the Interface Between Drug Discovery and Development <i>Thomas Jones, Ph.D., Eli Lilly (DDTSS Councilor)</i>
11:00 – 12:00	Keynote Address: Genetic Toxicology in 2005: Strengths and Limitations of Molecular and In Silico Approaches <i>Ronald Snyder, Ph.D., Schering Plough (DDTSS Vice-President)</i>
12:00 - 1:15 PM	Lunch
1:15 - 2:00	Pre-clinical QT Screening Methods and Interpretation <i>Jill Nichols-Steidl, Ph.D., Pfizer</i>
2:00 – 2:45	Case Examples of Genomic Approaches for Toxicology Screening and Biomarker Discovery <i>Cynthia Afshari, Ph.D., Amgen</i>
2:45 - 3:00	Afternoon Break
3:00 - 4:30	Poster Session
4:30 – 5:30	Reception at Allergan
6:00 – 8:00	Off-Site Social Event – Location to be announced
Meeting Sponsors	National SOT, MPI Laboratories, GeneLogic, Amgen, Allergan, Althea Technologies

Registration is payable on-site.

Please RSVP by October 1, 2005 to nootenboom_carole@allergan.com
Please include your full name, affiliation, address, and business contact number.
