

The Post-y ToXchange

- Postdoctoral newsletter is published twice a year.
- Write-ups relevant to postdoc experiences.
- We want to hear from you!! We encourage you to submit an article or ideas to the newsletter! Contact the PDA for details.

Membership Status

- Be sure to update from Graduate Student to Postdoctoral membership.
- Takes just a few minutes online and there are many postdoc-specific benefits.

Application Due Dates:
January, May, September 1

Most of you have probably received the e-mails from SOT advertising the ToXchange Web site. If you have not yet visited the site, go and check it out.

- Postdocs have their own group on the site.
- Great networking tool
- Update your profile and upload your CV
- Can start discussions and share documents of interest to postdocs.
- If you are a postdoc rep, each of your groups has a site on there as well. Use of ToxChange can facilitate communication among your group officers.

It's YOUR network
