

## Society of Toxicology, Pacific Northwest Chapter

Pacific Northwest Association  
of Toxicologists (PANWAT)

### Support PANWAT!!

The Society of Toxicology, Pacific Northwest Chapter (also known as Pacific Northwest Association of Toxicologists, PANWAT), conducts a regional annual conference to highlight toxicology research, provide continuing education, and strengthen ties between and among students and regional toxicologists. Further, the Pacific Northwest Toxicology Development Fund was established in 2009 to support regional development opportunities and professional recognition of toxicologists within PANWAT. We encourage you to support your regional SOT chapter and enjoy all the benefits of membership and sponsorship described below. Our goal this year is to increase membership by 10% and raise \$12,000 for the Endowment Fund.

Please support your regional chapter by:

- ❖ Becoming a [PANWAT member](#)
- ❖ Attending the [2011 Annual PANWAT Meeting](#) at Bonneville Hotsprings, WA, October 6-8
- ❖ Sponsoring the [Annual PANWAT Meeting](#) through individual or institutional (including matching funds) contributions
- ❖ Contributing to the [Pacific Northwest Toxicology Development Fund](#)

Benefits of your contribution and participation in PANWAT include:

- ❖ Special recognition of annual meeting sponsors and endowment contributors during the meeting and in the PANWAT conference program, newsletters and website
- ❖ Increased visibility of PANWAT and recognition in the region
- ❖ Improved regional collaborations resulting in sharing of ideas, technology transfer and increased opportunities for funding
- ❖ Foster student engagement
- ❖ Creation of special education programs for regional students and toxicologists
- ❖ Recognition of outstanding achievement by PNW regional toxicologists
- ❖ Recognition of excellent student research presentations
- ❖ Facilitate mentoring for emerging scientists in toxicology
- ❖ Eligibility for leadership roles in PANWAT and SOT
