

Expanding Outreach and Impact Globally

SOT IUTOX Travel Fellowships

More than 125 distinguished scientists from 36 under-represented countries have gained the opportunity to attend the SOT Annual Meeting.

International Membership

More than 1,700 scientists from 68 different countries are SOT Members.

Global Senior Scholar Exchange Program

Provides a unique professional opportunity and collaboration experience for senior toxicologists in developing countries and SOT Members. SOT has supported 14 exchanges with scientists in 9 countries.

“A unique experience that yields continuing returns.”
—Judy Zelikoff, 2013 Global Senior Scholar Host

International ToxScholar Outreach Grants

Hundreds of students and faculty have taken part in collaborations with visiting scholars to date.

SOT is dedicated to ensuring the development of educational and career opportunities in toxicology around the world.

Global Meeting Support

Over 25 initiatives and meetings to improve global collaboration in toxicology have been supported since 2012.

Developing Country Membership Benefits

- Discounted membership dues and assistance programs.*
- Free Access to Online Continuing Education Courses.*

SOT Members from developing countries enjoy all of the benefits of membership.

Developing Country List

Eligibility for these programs: Membership Discount, CEEd-Tox Online, Global Senior Scholar Exchange*, and International ToxScholar visit sites*

Countries with asterisks are eligible for the Global Senior Scholar Exchange and International ToxScholar visits only.
