Global Initiatives Funding Request

Applications for Global Initiatives Funding will be reviewed quarterly and should be sent to SOT Headquarters by January 1, April 1, July 1, or October 1. SOT strives to provide feedback on funding requests within 2 months from the quarterly deadlines. SOT specialty sections, committees, task forces, and other groups may be asked to provide input on the scientific strength of the program, benefit to the members, and prior meeting history. Applicants are not limited to this form and may supplement the requested information by attaching additional pertinent documents.
