

Serving Toxicologists in Maryland, Virginia, and the District of Columbia

Mission Statement

The National Capital Area Chapter of the Society of Toxicology (NCAC-SOT) was established to provide a regional focus for scientists of all disciplines interested in toxicology. The Chapter acts to:

- *Sponsor and co-sponsor local symposia on current issues in toxicology
- *Support leadership and professional development of toxicologists at the graduate student and post-doctoral levels
- *Support science education and outreach activities for K-12 students
- *Promote the mission of the Society of Toxicology and serve as a resource
- *Provide an annual award to an outstanding student in toxicology to assist in attending the annual meeting of the SOT
- *Maintain communication with the National SOT regarding current toxicology and regulatory concerns
- *Sponsor Regional Chapter events at the SOT Annual Meetings

Background

The NCAC-SOT was established in 1982 and its by-laws were approved by the Council of the SOT at the 21st annual meeting. The NCAC-SOT is governed by an elected group of four officers and four councilors together with several standing committees. Member of the NCAC-SOT are encouraged to participate actively in organizing symposia and as members of the standing committees. Members represent a broad group of scientists from academia, industry, government, consulting firms, industry trade associations, and a broad range of other organizations in the Baltimore, Virginia, and Washington region.
