North Carolina Regional Chapter

Membership

Founded in 1981 as one of the first four regional chapters, NC SOT is one of the largest regional chapters, with 374 members across NC. About 27% are students or postdocs. A mix of industrial/consultant (about half), government (about a third), and academic (about a tenth) toxicologists. Many members work in Research Triangle Park, but members hail from East Carolina University in eastern NC to Winston-Salem in the Piedmont.

Meetings & Award Opportunities

Two meetings yearly:
- Fall mtg. hosts a career panel and an oral presentation by the postdoctoral award winner
- Spring mtg. includes poster session and student poster awards
- Opportunities for communication and interactions with other local toxicologists

Both Fall & Spring meetings include seminars on a theme:
- 2010 Genomics and the Toxic Response
- 2010 Bioengineered Cellular and Animal Models for Toxicology
- 2011 Nanoparticles: Good and Bad
