

Midwest Regional Chapter

Founding Officers (1981-1982):

- President - Mike Evans
- President-Elect - Ed Kaminski
- Secretary - Ninfia Redmond
- Treasurer - Eugene Youkilis
- Councilors - Bruce Bernard, Rich Krasula, Ed Kaminski, Barry Levine

Standing Committees:

- Program Committee - Responsible for planning and arrangement of the scientific informational portion of meetings.
- Membership Committee - Responsible for review and processing of all applications for membership.
- Nominating Committee - Responsible for providing a proposed slate of candidates for elected offices.
- Awards Committee - Responsible for recommending suitable candidates for each of the three awards: The Kenneth DuBois Award, The Victor Drill Award, and The Young Investigator Award

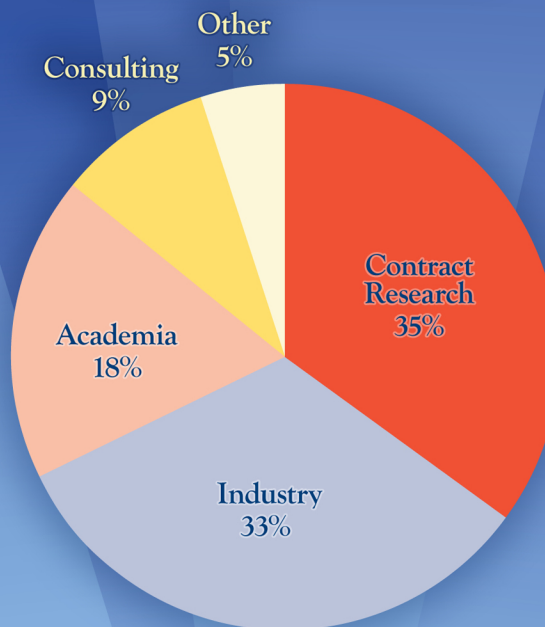

Award Programs:

Kenneth DuBois Award (Initiate 1982) - Honors an outstanding Midwest toxicologist. The award is given at the spring meeting of the MRC/SOT. The award consists of an engraved plaque and an honorarium. The 2010 winner was William Atchison (Michigan State University)

Victor A Drill Award (Initiated 1988) - Given to the top student poster at the spring meeting of the MRC/SOT. The award consists of a paid trip (travel and accommodations) to the following year's National SOT Meeting. The 2010 winner was Matthew Schmitz (Midwestern University).

Young Investigator's Award (Initiated 2003) - Presented at the fall meeting of the MRC/SOT to the applicant who submits the best undergraduate or graduate research proposal. The award consists of a cash award to be applied towards costs associated with toxicological training, education, and research. The winner must prepare a write-up of their research project for inclusion in the MRC/SOT Spring newsletter. The 2010 winner was Amy Irving (University of Wisconsin).
