

A maximum of four (4) students and two (2) advisors from each institution may apply for awards. Advisor and student applications are reviewed independently, and each may apply without candidates from the other group.

Advisors: Please complete this form and email it with all Undergraduate Diversity Student and Advisor applications from your institution by **11:59 pm ET October 18, 2019**, to shalimar@toxicology.org. Name this file “[your institution name]_UDPcov.pdf.” Use “UDP Application” in the subject line of the email.

Student Application Checklist

Advisors: Before forwarding the application packet, please verify that each student application is complete by marking the chart below to indicate that the designated item is included in the emailed packet. Incomplete applications, and those not following guidelines, may be disqualified from consideration.

		Student Applicant 1	Student Applicant 2	Student Applicant 3	Student Applicant 4
Name of Student Applicant(s) →					
Completed by	Student	Application form completed			
		450 word career statement			
		Transcripts from all undergraduate institutions, including current semester			
	Advisor	Letter of recommendation			
		Institutional cover sheet			

Thank you for your efforts supporting your students in applying for the SOT Undergraduate Diversity Program Award. **Questions?** Contact [Shalimar@toxicology.org](mailto:shalimar@toxicology.org) or call 703.438.3115 x 1607.

In submitting this application I consent to the inclusion of my information in aggregate data used by SOT to describe the applicant pool and as described in the [SOT privacy policy](#). I also agree that SOT may contact me to inform me of programs of potential interest. Other than access by the reviewers during the selection process and the permission you are granting us to contact you, individual information will not be released by SOT.
