

SAN ANTONIO, TX
66TH ANNUAL MEETING
& ToxExpo • March 14–17, 2027

FACT SHEET

THE ANNUAL MEETING

Each March, SOT welcomes thousands to its Annual Meeting to explore the latest in toxicological research and emerging technologies, as well as engage in networking and mentoring.

THE TOXEXPO

The three-day ToxExpo showcases 275+ exhibitors, from research labs to biotech innovators, connecting toxicologists with vital tools, services, and partnerships.

JUST THE FACTS

- 4,000+ Attendees
- 1,900+ Scientific Presentations
- 275+ Exhibitors
- 100+ Social Events
- 50+ Scientific Sessions
- 10+ Continuing Education Courses

GLOBAL REACH

Toxicologists from over 45 countries unite annually, making the SOT meeting a global hub of collaboration and discovery.

TRAINEES AND STUDENTS

Special programs, poster tours, and expert meetups help undergraduates, grad students and postdocs grow professionally and connect with the field.

ABOUT SOT

Since 1961, SOT has united 8,000+ scientists from many fields to advance toxicology and public health.
