

Association of Scientists of Indian Origin

Special Interest Group- Society of Toxicology ASIO-SOT

SOT
62nd Annual Meeting
& ToxExpo • Nashville, TN
March 19-23, 2023

Our Mission

- To provide a support network, foster collaborations and professional development opportunities for the toxicologists of Indian origin living around the world.

Why Join ASIO?

- ASIO provides a platform to meet and interact with Indian Origin Toxicologists
- Rewards the Student/ Postdoctoral members with Best Abstract/ Travel awards (ASIO-SIG gives the highest number of awards among SOT-SIGs)
- Enhances professional development through networking and communication via newsletters as well as numerous events at the SOT Annual meeting
- ASIO provides volunteering and leadership opportunities to the members
- Allows you to seek career guidance opportunities with experts in the field
- Your involvement will help ASIO to grow as an organization

ASIO Awards

- Dr. Harihara Mehendale Graduate Student Best Abstract Award
- Dr. Laxman Desai Graduate Student Best Abstract Award
- Dr. Dharm Singh Postdoctoral Fellow Best Abstract Award
- ASIO Outstanding Early Career Scientist Award
- ASIO Senior Toxicologist Award
- Toxikon, A Preclinical Toxicology Organization; & Dr. Dharm Singh ASIO International Travel Award
- ASIO Best Paper Award
