

Joint Mixer with Allegheny-Erie
and Lake Ontario RCs at
Werewolf!
Monday, March 23rd from
7:30-10 PM

627 Fourth Ave., San Diego, CA, in the Gaslamp district

Who are we?

Since 1981, MISOT has provided a forum for trainees to meet with industry scientists and academic leaders, and for Michigan scientists to contribute to the goals of SOT to create a safer and healthier world via the advancement of the science of toxicology.
