PANWAT Awards

Andreasen Award for Excellence in Research and Scholarship
Open to all student and postdoc members. This award recognizes outstanding trainees who embodies Dr Andreasen's scientific excellence and leadership. Dr Eric Andreasen was instrumental in establishing the zebrafish animal model for use in toxicological research. **2026 Winners: Dr. Joe Lim (postdoc) & Kyle Burns (graduate student)**

Dr. William M. Baird Travel award
Open to all student and postdoc members. This award is designed to encourage attendance of trainees from the Pacific Northwest region to present their work and attend the SOT Annual meeting. **2026 Winner: Dr. Youjun Suh**

with us!

Why you should be a part of PANWAT:

Students/Postdocs:

- Opportunities to share your research
- Connect with established toxicologists in academia, industry, and government from the Pacific Northwest
- Monetary awards for outstanding student and postdoc contributions
- Funding to attend PANWAT annual regional meeting

All Members:

- Regional networking, collaborations, and idea sharing
- Mentor/mentee relationships
- Opportunities for K-12, undergraduate, and graduate outreach
- Eligibility for leadership roles in PANWAT and SOT
- Contribute to promoting awareness for toxicology and environmental health in the Pacific Northwest!
