

Biotechnology Specialty Section

SOT
SAN DIEGO, CA
65th Annual Meeting & ToxExpo
MARCH 22-25, 2026

We invite all SOT members interested in biotechnology to join BTSS!

Our membership includes those working in academia, government (e.g., environmental and health authorities), industry (e.g., biopharmaceutical, food and agrochemical, consumer product industries), and finally, students and postdocs pursuing a specific area of biotechnology and aiming for a better understanding of biotechnologies safety assessment.
