

Executive Board 2025-2026

President
Xiugong Gao, PhD

Vice President
Sebastian Medina, PhD

Vice President-Elect
Xian Wu, PhD

Secretary/Treasurer
Rong Li, PhD, DABT

Councilor
Erik Tokar, PhD

Past President Councilor
Nicole zur Nieden, PhD

Councilor
Katherine Zychowski, PhD

Postdoctoral Rep
Anke Tukker, PhD, ERT

Graduate Student Rep
Madeleine Strom

Who We Are

The Stem Cells Specialty Section (SCSS) is a subgroup of the Society of Toxicology membership that provides a forum for SOT members interested in stem cells and stem cell toxicology.

Endorsed Symposium Sessions

Metal Toxicity Meets Stem Cell Innovation: Early-Stage Scientists Forging New Frontiers in Environmental Health

Chair: Sebastian Medina; Co-Chair: Anke Tukker
(Wed, March 25, 1:30PM – 4:15PM (PT), Ballroom 6C)

SCSS Excellence In Research Award - 2026

- **Graduate Award:** Nneamaka Iwobi, PhD Candidate
Single-Cell Transcriptomic Profiling of Bisphenol-Induced Disruption in Human Embryonic Stem Cell Osteogenesis
(Mon, March 23, 1:45PM – 4:15PM (PT), Poster Board: D271)

- **Postdoctoral Award:** Aishwarya Rengarajan, PhD
Human iPSC-mesendoderm differentiation model reveals possible novel off-targets of cereblon-based molecular glues related to developmental toxicity outcomes
(Wed, March 25, 1:45PM – 4:15PM (PT), Poster Board: H573)

Thanks To Our SCSS Sponsors

Modeling Neurodevelopmental Defects with iPSC-Derived Spheroid

(Mon, March 23, 6:00PM – 6:10PM (PT), SCSS Reception, Marriott Grand Ballroom 1)

If you would like to become a sponsor, please contact any member of the Executive Committee.

SCSS Reception

Mon, March 23,
6:00PM – 7:30PM

Marriott Grand Ballroom 1,
Marriott Marquis Marina
