- Recordings
- Slides
- Captioning Text

The screenshot shows the SOT Society of Toxicology website. The header includes the SOT logo and navigation links: Contact Us, Help, Admin, Logout, and a search bar. A navigation menu below the header lists: About SOT, Members & Groups, Meetings & Events, Publications & News, Awards & Funding, Careers, Education, and Endowment Fund. The main content area is titled 'SOT FDA Colloquia' and features a large blue banner with the text: 'SOT FDA Colloquia on Emerging Toxicological Science: Challenges in Food and Ingredient Safety' and 'US FDA, Wiley Auditorium, College Park, Maryland'. Below the banner, there is a paragraph of text: 'In 2014, SOT and the US FDA Center for Food Safety and Applied Nutrition (CFSAN) began a partnership to present colloquia designed to present high-quality, cutting-edge, future-oriented toxicological science to provide a well-grounded, foundation to inform the work of US FDA employees. These colloquia are open at no cost to all who are interested. Recordings and materials are available after the events and can be found below.' A blue button labeled 'Open All' is positioned below the text. At the bottom of the page, there is a dropdown menu for '2017-2018 Colloquia'. On the right side of the page, there are social media sharing icons and a 'Share this page.' link. Below that, there are sections for 'Annual Meeting & ToxExpo', 'CCT Meetings', and 'Events Calendar', each with a brief description of the respective event.
