

# SOT FDA Colloquia on Emerging Toxicological Science Challenges in Food and Ingredient Safety

## Roundtable Discussion

Moderator: Jason Aungst

**Stephen Edwards**  
Co-chair

**Carole Yauk**

**Rusty Thomas**

**Xiugong Gao**  
Co-chair

**Joshua Harrill**

**Jorge Naciff**

# **SOT FDA Colloquia on Emerging Toxicological Science Challenges in Food and Ingredient Safety**

## **Concluding Comments**

**Stephen Edwards, PhD**

**Chair, SOT FDA Colloquium Organizing Committee**

**RTI International**

## **2022-2023 Colloquia**

### **Watch for the announcements**

- **Toxicological Approaches for Assessment of Low-Level Process Constituents**
- **Immunotoxicology in Food and Ingredient Safety**

# SOT FDA Colloquia on Emerging Toxicological Science Challenges in Food and Ingredient Safety

## Colloquia Materials

- Slides
- Captioning Text

The screenshot shows the SOT FDA Colloquia website. At the top left is the SOT Society of Toxicology logo with the tagline "Creating a Safer and Healthier World by Advancing the Science and Increasing the Impact of Toxicology". To the right are links for "Join or Upgrade Your Membership", "Renew Your Dues", and "Volunteer". Below these are buttons for "Member Login", "ToXchange", and "Support". A navigation menu includes "About SOT", "Members & Groups", "Meetings & Events", "Publications & News", "Awards & Funding", "Careers", "Education", and "Endowment Fund". The main heading is "SOT FDA Colloquia" with a breadcrumb trail: "Home > Meetings & Events > SOT FDA Colloquia". A large photo of a group of people is visible. Below the photo are social media icons for Facebook, Twitter, LinkedIn, and Email. The main content area features the SOT FDA logo and the title "SOT FDA Colloquia on Emerging Toxicological Science: Challenges in Food and Ingredient Safety". The text below reads: "In 2014, SOT and the US FDA Center for Food Safety and Applied Nutrition (CFSAN) began a partnership to present colloquia designed to present high-quality, cutting-edge, future-oriented toxicological science to provide a well-grounded foundation to inform the work of US FDA employees. These colloquia are open at no cost to all who are interested. Recordings and materials are available after the events and can be found below."
