SOT FDA Colloquia on Emerging Toxicological Science: Challenges in Food and Ingredient Safety
US FDA, Wiley Auditorium, College Park, Maryland

In 2014, SOT and the US FDA Center for Food Safety and Applied Nutrition (CFSAN) began a partnership to present colloquia designed to present high-quality, cutting-edge, future-oriented toxicological science to provide a well-grounded, foundation to inform the work of US FDA employees. These colloquia are open at no cost to all who are interested. Recordings and materials are available after the events and can be found below.
