

2021 Fall Symposium
Toxicology Research: Coping with the Challenging Times
Thursday, October 14, 2021, 8:30 AM – 1:00 PM ET

Time	Topic	Speaker
8:30–8:40 AM	Welcome and Introduction	Gopala Krishna NCAC-SOT President Colleen McLoughlin NCAC-SOT Vice President
8:40–9:10 AM	Designing 3D bioprinted humanized models for drug discovery and repurposing Building Translational & Integrated Human Alternative to Animal Models: Past, Present and Future Challenges	Uday Saxena Co-Founder and Chief Scientific Officer, ReaGene Biosciences Subrahmanyam Vangala Co-Founder and CEO, ReaGene Biosciences
9:10–9:30 AM	Cradle to Cradle Certified Products Program	Susan Klosterhaus Cradle to Cradle Products Innovation Institute
9:30–10:00 AM	Q&A Session with Presenters	Uday Saxena Subrahmanyam Vangala Susan Klosterhaus
10:00–10:15 AM	Break	
10:15–10:35 AM	Managing Toxicology offerings during challenging times – Relationships matter!	Bob Leasure CEO, Inotiv
10:35–10:55 AM	COVID-19: Challenges and Impact on the Value Chain The Importance of Accessibility, Connection, and Technology	Lori Bestervelt Director, Business Development and Safer Chemistry Innovation, Scivera
10:55–11:15 AM	Accommodations for Academic Research During the Pandemic	Marion Ehrich Professor, Pharmacology, Toxicology, Department of Biomedical Sciences & Pathobiology, Virginia Tech
11:15–11:45 AM	Q&A Session with Presenters	Bob Leasure Lori Bestervelt Marion Ehrich
11:45 AM – 12:00 PM	Break	
12:00–1:00 PM	Career Panel and Discussion	NCAC-SOT Officers

Career Panel and Discussion
Thursday, October 14, 2021, 12:00 – 1:00 PM ET

The NCAC Executive Committee Members will discuss their career paths and answer questions from attendees.

Gopala Krishna, PhD, MBA, DABT, ATS
NCAC President — Senior Vice President, Genetic
Toxicology, Inotiv

Abigail McEwen, MEM
NCAC Councilor and Newsletter Editor — Insight
Exposure & Risk Sciences Group

Colleen McLoughlin, PhD, DABT, ERT
NCAC Vice President — Director, Toxicology, Scivera

Rosie Sneed, DVM, PhD
NCAC Councilor and Student Liaison — Associate
Professor, University of the District of Columbia

Patrick Crittenden, PhD
NCAC Secretary — Toxicologist, US FDA

Jennifer Tanir, PhD
NCAC Councilor and Website Coordinator — Senior
Sustainability Scientist, ToxServices LLC

Laine Peyton Myers, PhD, DABT
NCAC Treasurer — Supervisory Interdisciplinary
Scientist, US FDA

Sanaullah Sajib, PhD
NCAC Postdoctoral Representative — US FDA
