Pacific Northwest Association of Toxicologists (PANWAT)

SPONSORSHIP OPPORTUNITIES

- The Society of Toxicology, Pacific Northwest Chapter (known locally as Pacific Northwest Association of Toxicologists, PANWAT), conducts a regional annual conference to highlight toxicology research, provide continuing education, and strengthen ties between and among students and regional toxicologists.
- This year's annual conference, themed "Neurotoxicity: Mechanisms and Methods of Investigation" is fast approaching. The meeting will be held on October 14th and 15th 2018 in Bothell WA: Sunday night Oct 14th at the Hilton Garden Inn and all-day Monday Oct 15th at Seattle Genetics. Both venues are in Bothell, WA.
- The conference symposium will feature cutting edge research to meet the ongoing educational needs of regional toxicologists and students as well as to help facilitate mentoring for emerging scientists. We expect participants from all regional universities that offer degrees in toxicology and health-sciences related fields, as well as regional toxicologists from various industries (including contract research organizations, biotechnology, consulting, etc.) and government agencies.
