

Society of Toxicology, Pacific Northwest Chapter

Pacific Northwest Association of Toxicologists (PANWAT)

SPONSORSHIP OPPORTUNITIES

- The Society of Toxicology, Pacific Northwest Chapter (known locally as Pacific Northwest Association of Toxicologists, PANWAT), conducts a regional annual conference to highlight toxicology research, provide continuing education, and strengthen ties between and among students and regional toxicologists.
- This year’s annual conference, themed “Toxicology Challenges and Applications in Protection of Public Health” is fast approaching. The meeting will be held on October 1st-2nd at Seattle Genetics, Bothell, WA.
- The conference symposium will feature cutting edge research to meet the ongoing educational needs of regional toxicologists and students as well as to help facilitate mentoring for emerging scientists. We expect participants from all regional universities that offer degrees in toxicology and health-sciences related fields, as well as regional toxicologists from various industries (biotechnology industries).
