V. Feedback and Ideas:

- A. In what ways is your group fostering and maintaining an inclusive environment? Please give examples of any current practices used to support inclusion in processes such as 1) leadership selection and promotion, 2) award descriptions and selection, and 3) endorsement of proposals for the annual meetings.

Meetings are key events that manage our group dynamic. The ATA President plans for the group meetings to discuss the activities and the events of ATA group. For example, issues are identified to be discussed and solved, tasks are assigned to members, bring more members, and some other activities.

- B. What is one thing the Society should be doing that we currently do not do (or do not do effectively) that would be of importance/benefit to the members of your component group?

No comment for now

- C. What is one thing that the Society is currently doing that impacts your component group that should be changed (e.g., stopped, modified, etc.)?
