II. Activities:

2018 SOT Annual Meeting Reception was held in San Antonio on Tuesday, March 13, 2017.

Approximately 70 people were in attendance.

Dr. Howard Mellor called the meeting to order at 6 PM on Tuesday, March 13, 2017.

Meeting Minutes:

The meeting opened with a welcome from Dr. Howard Mellor. It was followed by the announcement of the Emil A. Pfitzer Award for best graduate student and post-doctoral poster presentations. All abstracts were reviewed and the top five candidates from each category were invited to present their posters at the SOT Annual Meeting for final judging. After the poster awards the announcement was made that the DDTSS would renew the Paper of the Year Award competition and the first Winner of the DDTSS paper of the Year 2017 was acknowledged. Matt Peters presented a few slides highlighting the key aspects described in the paper.

To increase collaboration, networking and team spirit the next 20min were dedicated to solving different puzzles. Finally, the reception ended by welcoming and introducing incoming officers (Zoe Zhong, Marianna Stamou, Pankajini Mallick (second term) and Victoria Horton) and service plaques were presented to outgoing officers (Pete Newham, Anthony Bahinski and Guncha Taneja).

Paper of the Year Award – Deconvoluting Kinase Inhibitor Induced Cardiotoxicity – Award accepted by Matt Peters (\$1000).
