The main content area is titled "SOT FDA Colloquia" and features a sub-header: "SOT FDA Colloquia on Emerging Toxicological Science Challenges in Food and Ingredient Safety". Below this, it states "FDA, College Park, Maryland". A paragraph describes the partnership between SOT and the US FDA Center for Food Safety and Applied Nutrition (CFSAN) to provide high-quality, cutting-edge, future-oriented toxicological science. A "Share this page" button is visible. On the right side, there are sections for "Annual Meeting & ToxExpo", "CCT Meetings", and "Events Calendar". The website footer includes "Upcoming: Contemporary Issues in Risk Assessment Information and Registration".
