Re: Minutes from Virtual Business Meeting (WebEx)

Backstory

Since the 2020 SOT Annual Meeting in Anaheim, CA was cancelled, IVAM leaders decided to have a Virtual Business Meeting to replace the IVAM Reception & Business Meeting that was scheduled to happen at the SOT meeting.

On May 13, 2020 a meeting announcement was emailed to the IVAM membership notifying them of the upcoming Virtual Business Meeting on May 22, 2020 from 11:00 AM – 12:00 PM Eastern Time.

Slides that had been prepared for the March 18, 2020 IVAM Reception were updated for the Virtual Business Meeting.

SOT arranged a practice session for the May 22, 2020 virtual meeting and ran the WebEx.

Virtual Business Meeting (5-22-20)

Present: Kelly Coleman, Sean Gehen, Kathryn Page, Helena Hogberg, Samantha Faber, Stephen Ferguson, Megan Culbreth, Daniel Russo, Amanda Dhaneshwar

Absent: Pamela Spencer

There were 22 online attendees for this meeting.

Welcome and meeting agenda review: Kelly Coleman

1. Review of IVAM's activities during the 2019-2020 year: Kelly Coleman

- Outgoing officers were thanked, and incoming officers were acknowledged.
- Webinars by the 2019 award winners and a NAMs case study by EPA were reviewed.
- An update on the revised IVAM bylaws was presented.
- A summary slide on IVAM's current and past membership was presented.

2. Treasury Report: Helena Hogberg

At the end of the year we had a net account balance of \$10,993.

3. SOT Proposals: Sean Gehen

Gave a presentation about IVAM's 2020 and 2021 SOT meeting proposals, review process, and deadlines.

4. 2020 Award Winners: Kelly Coleman

The winner of SOT's animal welfare award and the winners of the five Colgate-Palmolive and Syngenta sponsored awards were recognized and congratulated.

Sarah Burnett from Texas A&M University, the winner of IVAM's 2020 Graduate Student Award, was introduced and congratulated. She gave a presentation titled: "An *In Vitro* Human Population Model for Screening Environmental Chemicals for the Cardiotoxicity Hazard."

Dr. Phillip Clapp from the University of North Carolina at Chapel Hill, the winner of IVAM's 2020 Postdoctoral Award, was introduced and congratulated. He gave a presentation titled: "An Inexpensive Open-Source *In Vitro* Exposure System for Uniform Sedimentation of Liquid Aerosols Generated by New and Emerging Tobacco Products."

Both presentations were well-received and generated a number of thoughtful questions.

5. Final Comments: Kelly Coleman

A slide was presented about SOT's Virtual Meeting posters and presentations. Slides about the QSAR 2021 and 2020 ASCTT meeting were also shown.

6. Meeting Adjourned: @ 12:01 pm by Kelly Coleman
