II. Activities:

2011 SOT Annual Meeting Reception was held in Washington, DC on Monday, March 7. This was the inaugural meeting of the Stem Cells SS. Approximately 35-40 members were in attendance. Dr. Mike Waalkes (interim President) called the meeting to order at 6:00 PM and discussed the Section's mission and objectives, introduced the interim officers, described the goals of the Section for the first 3 years, and discussed establishing an Endowment Fund for Student/Post-doc awards. The 3-year plan and By-Laws were both unanimously approved. Dr. Erik Tokar (interim Secretary/Treasurer) briefly discussed the Section's budget. The Meeting was adjourned at 7:30 PM.

Awards: No awards were presented as this was an inaugural Organizational meeting.

2011 SOT Annual Meeting Courses/Sessions: N/A as our section was only approved in Fall 2010.

Endowment Fund Details: N/A as our section was only approved in Fall 2010.

Newsletters: No newsletters were published for 2010-2011 as our section was approved in Fall 2010. We are currently working on our first newsletter, to be submitted Fall 2011.

Teleseminars: N/A/ as our section was only approved in Fall 2010.

White Papers: N/A/ as our section was only approved in Fall 2010.

Contributions to SOT Web site: The Stem Cells SS website is currently being created.

Other Specialty Section 2010-2011 Activities:

The membership of the Section has steadily increased since January 2011.

The Section had a Continuing Education course approved for SOT Annual Meeting 2012 in San Francisco.
