### **II. Activities**

**2018 SOT Annual Meeting Reception** was held in San Antonio, Texas on March 14.

Approximately 30 people were in attendance.

Dr. Harry Salem called the meeting to order at 6:15 PM on March 14

Business Meeting Speaker: Dr. Harry Salem

Meeting Minutes:

Reception and meeting were held at the Grand Hyatt in San Antonio, TX. Dr. Harry Salem (SCSS President) called the meeting to order at 6:15 PM on Wednesday, March 14, 2018. Dr. Salem discussed the SCSS activities as follows:

1) Newly elected officers were introduced:

- Vice President: Timothy O'Toole (filled vacant VP-elect position, January 2018)
- Vice President Elect: Patrick Allard
- Junior Councilor: Petra Haberzettl
- Postdoctoral Rep: Anthony Luz
- Student Rep: Piyush Joshi

Outgoing officers were thanked for their effort.

2) SCSS Goals and Plans were discussed.

- a) Membership: Current membership was around 60. It was uncertain how this corresponded to historical levels. The importance of continuing to increase the membership was emphasized.

- b) Program Drive: Goal is to endorse several scientific sessions for 2019. SCSS endorsed 2 approved Sessions for the 2018 Annual Meeting.
- c) SCSS program contributions were reviewed by Dr. Salem. Both the Symposium (*Adipocyte Toxicology and Obesogens*) and Informational Session (*Good Cell and In Vitro Method Practices against the “Reproducibility Crisis”*) were very well attended.
- d) There was no treasurer’s report due to the absence of the Secretary/Treasurer and the lack of a power point presentation and computer.
- e) Ideas were discussed as to how to increase participation and involvement.

3) The meeting was adjourned at approximately 6:30 PM.
