DTSS Endorsed Sessions

1. **From My Cosmetics to Smart Watch, Toxicology Touches It All!;** March 12th, Grand Ballroom J, 4:30 - 6:00 PM
2. **The Modernization of Cosmetics Regulation Act: Perspectives on Recent Implementation Activities and Confirming Safety in Cosmetic Products;** March 13th, Grand Ballroom E, 11:00 AM – 12:20 PM

Join Us at DTSS Annual Reception!

When: March 13th, 6:00-7:30 PM

Where: Aspen Conference Room in the Hyatt Regency

Learn about cutting-edge skin-related research, network with new and existing members, and announcements for 2024

Postdocs and graduate students: Enter our raffle at the Postdoc/Graduate Student Mixer to win an Android tablet sponsored by MB Research Laboratories! The winner will be drawn at the DTSS Annual Reception. You must be present to win!

Congratulations to the winner of the 2023 Android tablet raffle!

Idaia Meaza
Graduate Student
University of Louisville
2023 Tablet Raffle Winner

"I won a tablet at the Dermatology SS, and I was overjoyed. I have utilized it extensively since then for various purposes like creating illustrations and taking notes while on the go, particularly when I am traveling, among other things. For showing such consideration for SOT students, I sincerely appreciate the Dermatology SS."

The Dermal Toxicology Specialty Section (DTSS)

The DTSS serves to promote knowledge in the field of dermal toxicology with specific focus on developing clinically relevant models to study **mechanisms** and **risk assessment** for cutaneous exposure to protect against toxicants.

Our **109 members** within our Specialty Section conduct research in many diverse areas including **dermal toxicology and pharmacology, risk assessment pharmacokinetics, dermal penetration and absorption, oncology, hypersensitivity, regulatory toxicology and product safety.**

Special Program to Recruit Graduate Student Members

The DTSS is offering a membership program for 1-2 graduate students for free membership to the DTSS specialty section. If you have a lab colleague who might be interested in becoming a DTSS graduate student member, encourage them to contact [Azita Cuevas](#) for more information.

Please visit our website for more information about the DTSS by scanning this QR code with your camera phone and following the link!

Joining
is easy!

2023-2024 Officers

Kimberly Norman, PhD,
DABT, ERT
President

Sarah Gilpin, MPH, PhD,
DABT
Vice President

Azita Cuevas, PhD, MS,
MPH, DAPT
Vice President-Elect

Sara Farahmand,
PharmD, PhD
Past President

Jamie Coleman, PhD,
DABT, ERT
Secretary/Treasurer

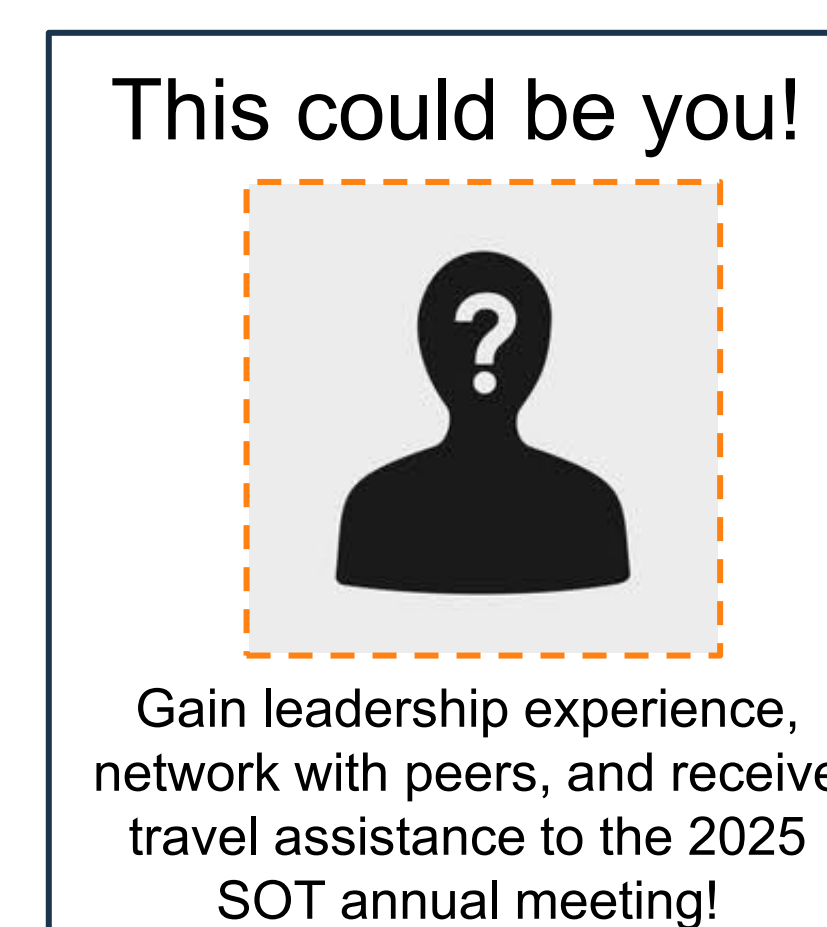

Prajakta Shimpi, PhD,
ERT, DABT
Councilor

Valentina Galbiati, PhD
Councilor

Alexandra Nail, PhD
Postdoc Representative

Grad Student Representative
Vacant

DTSS Awards

Congratulations to our 2024 Awardees!

DTSS Paper of the Year Award

In recognition of an exceptional recent publication in the field of skin toxicology and pharmacology

Satya Achanta, DVM, PhD, DABT
Duke University

"Pharmacologic inhibition of transient receptor potential ion channel ankyrin 1 counteracts 2-chlorobenzalmalononitrile tear gas agent-induced cutaneous injuries"

Stratacor Postdoctoral Award

In recognition of a postdoctoral candidate for their research that advances the understanding of skin toxicology and pharmacology

Alexandra Nail, PhD
University of Louisville

"A Novel Arsenic Methyltransferase Splice Variant is Expressed in Human Keratinocytes"

Edgewell Personal Care Postdoctoral and Student Awards

In recognition of outstanding student and postdoc candidates for their contribution to skin-related research

Rachel Goff

University of Louisville

"Arsenic Induced Suppression of Autophagic Protein Degradation is Zinc Dependent"

Andrew Roney

Michigan State University

"Long-Term Inflammatory Effects Arising from Acute Cutaneous Nitrogen Mustard Exposure"

Informa Healthcare Award

The Informa Healthcare Award is presented for the best paper in dermal toxicology published in the Journal of Cutaneous and Ocular Toxicology. The winner receives a subscription to the Journal of Cutaneous and Ocular Toxicology.

Ayşe Gölge Bedir

"The effects of cream-based Triticum vulgare with and without therapeutic ultrasound on excisional wound healing in diabetic rats"

Awardees will give presentations at the 2024 DTSS Annual Reception!
