II. 2014 Annual Meeting

The Ethical, Legal, and Social Issues (ELIS) had another successful year in 2013-14. We had our annual reception at the SOT 2014 annual conference in Phoenix, AZ, with Gary Marchant and Paul Zigas presenting on updates in patent law and their significance to toxicology. The presentation was followed by a productive discussion with ELIS members about goals for the 2014-15 year. Suggestions included greater outreach to SOT and a number of novel programs, including new webinar topics for the coming year.
