SOT Annual Meeting App

Download in advance

• Be prepared to check that the students have downloaded the app.

SOT Event App

The 2021 SOT Event App is meant to be used on conjunction with the Virtual Meeting platform, providing attendees with access to the meeting schedule and other details before the start of the event on Friday, March 12, 2021.

Download the App

Portions of the SOT Event App are restricted to SOT Annual Meeting registrants and SOT members; a login will appear for these areas.

Download the App

Search “SOT 2021” in your app store to find the SOT Event App for iPhones, iPads, and Android smartphones and tablets. For other devices—such as Blackberry, Windows, Surface tablets, and Amazon Kindles—access the app through the Mobile Web version.
Visit the Hallway Huddles Lounge from the Networking section to hold impromptu video chats with other attendees or join a small-group discussion.
Visit the Tiny Tox Talks Lounge from the Networking section to attend short presentations on career development, scientific, and other topics.
Commemorate the Virtual Meeting by taking a photo in the virtual booth.
Visit the Virtual Exhibits to start new collaborations, acquire services and products, and more.
The SOT Hub section contains information on SOT resources and benefits.
