Attendee: Kenneth McMartin

Manchester University College of Pharmacy

Department: Department of Pharmaceutical Sciences

Program Name: Molecular Toxicology and Pharmacogenomics

Address: 10627 Diebold Road
Fort Wayne, IN 46845

Program Director: Sid Ray

Send correspondence/inquiries to: Sid Ray

Contact Email: sdray@manchester.edu

Contact Phone: 260.470.2661

Areas of Expertise: *In Vivo* Genomic Toxicology, Drug Action Mechanisms, and Toxicologic Pathology

Internship/Research Opportunities: Pharmaceutical Sciences (Pharmacology, Toxicology, Medicinal Chemistry)

Website: Sidhartharay.com

Attendee: Sid Ray

Michigan State University

Department: Institute for Integrative Toxicology

Program Name: Environmental and Integrative Toxicological Sciences

Address: 1129 Farm Lane, Food Safety and Toxicology Building
East Lansing, MI 48824

Program Director: Robert Roth

Send correspondence/inquiries to: Adelle Simmons

Contact Email: asimmons@cvm.msu.edu

Contact Phone: 517.884.2013

Areas of Expertise: Toxicology of the CNS, liver, respiratory tract, immune system, and more. Emphasis on integrative approaches to understanding mechanisms of toxicity.

Internship/Research Opportunities: For undergraduates, summer internships and a postbaccalaureate program are available. For graduates, PhD training in Environmental and Integrative Toxicological Sciences.
