Emeritus Members

A Full or Associate member of the Society who has maintained membership continuously for 40 years will become an Emeritus member unless he or she declines. Emeritus members shall retain their privileges of membership, will not pay dues, and will receive the journal electronically.

Retired Members

A Full or Associate member of the Society who has retired from active work in toxicology may be accorded **retired status** upon approval of SOT Council. Retired members shall retain their privileges of membership and be relieved of the payment of their dues not used for subscription to a Society journal; or of their entire dues if they do not wish to continue receiving a journal that was included with the dues.

Honorary Members

Honorary membership shall be awarded by the Society to persons who are not members of the Society in recognition of outstanding and sustained achievements in toxicology. Honorary members shall not be required to pay dues and shall not be eligible to hold office or any elective position in the Society, but shall have all the non-voting privileges of the Society in scientific proceedings. See page 267 or a historical listing of Honorary members.

Managing Your Membership

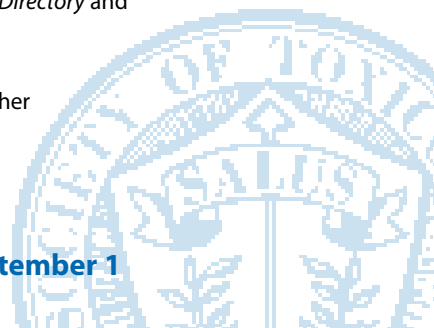

Membership Renewal—Go on-line to calculate dues for current and past years for SOT, Regional Chapters, Specialty Sections, and Special Interest Groups. You can also pay for subscriptions to the *Toxicological Sciences* Journal. Complete the on-line payment process when using a credit card or print your customized Dues Form to submit by mail or fax. Use the module at any time to check on membership dues status.

Manage Your Membership Information—Make changes to your name, contact information, password, and communications preferences through the on-line module. Your profile information automatically populates from the on-line *Membership Directory* when using electronic forms and ToXchange on the SOT Web site.

Communicate with Other Members—Access on-line *Membership Directory* and ToXchange, the secure, private member network on-line.

Upgrade Your Membership or Recruit New Members—Whether you are changing membership type or encouraging a colleague to join SOT, select the appropriate navigation buttons on the left on the Members/Scientists page. The on-line process takes about 15 minutes to complete.

Deadlines: January 1 • May 1 • September 1

Join or Upgrade Your Membership in the Society of Toxicology

Undergraduate Student Affiliates

Those enrolled in an academic program leading to a bachelor's degree with an interest in toxicology or related biomedical sciences can register for this special status with SOT. Benefits include the following:

- Connection to the community of toxicologists
- SOT publications including Annual Meeting information and SOT newsletter, *Communiqué*
- Notification about student programs, opportunities, and travel funding

SOT Affiliates

SOT has established a special category for private, public, and not-for-profit organizations that wish to contribute to the success of SOT by:

- Supporting the premiere toxicology society in increasing the scientific impact of and advocating for the value of toxicology
- Contributing to the success of the largest scientific meeting in toxicology and attracting scientists at all stages of their careers from around the globe
- Promoting the importance of education and building for the future of toxicology
- Encouraging activities aligned with the prediction and prevention of toxicity and disease

In appreciation of their commitment, an Affiliate receives:

- Access to member-restricted information on SOT Web site
- Three complimentary job postings and reduced rates for all other Career Resource and Development Job Bank services
- Complimentary registration for Annual Meeting for one attendee
- Prominent listing on the SOT Web site, *SOT Membership Directory*, and Annual Meeting signage and materials, including the *Preliminary Program*, and final *Program*
- SOT Member Publications, including Annual Meeting information and the newsletter, *Communiqué*
- Complimentary room rental for one meeting at the SOT Annual Meeting when requested using an SOT Ancillary Meeting form
- Electronic access to SOT official journal, *Toxicological Sciences*, and subscription to the print version

If your organization is interested in participating in the SOT Affiliate program, please contact Marcia Lawson at marcia@toxicology.org
