## EMERITUS MEMBERS

A Full or Associate member of the Society who has maintained membership continuously for 40 years will become an Emeritus member unless he or she declines. Emeritus members shall retain their privileges of membership, will not pay dues, and will receive the journal electronically. See page 23 for a current listing of Emeritus members.

## RETIRED MEMBERS

A Full or Associate member of the Society who has retired from active work in toxicology may be accorded **retired status** upon approval of SOT Council. Retired members shall retain their privileges of membership and be relieved of the payment of their dues not used for subscription to a Society journal; or of their entire dues if they do not wish to continue receiving a journal that was included with the dues.

## HONORARY MEMBERS

Honorary membership shall be awarded by the Society to persons who are not members of the Society in recognition of outstanding and sustained achievements in toxicology. Honorary members shall not be required to pay dues and shall not be eligible to hold office or any elective position in the Society, but shall have all the non-voting privileges of the Society in scientific proceedings. See page 297 for a historical listing of Honorary members.

## Use the On-Line Membership Application Process

A full description of the process and requirements for membership types can be found on the Society Web site in the Membership Information section. The on-line process takes an applicant about 15 minutes to complete.

**Deadlines: January 1 • May 1 • September 1**

## Membership Information

**Membership Renewal**—Go on-line to calculate dues for current and past years for SOT, Regional Chapters, Special Interest Groups, and Specialty Sections. Also, you can pay for subscriptions to the *Toxicological Sciences* Journal. Complete the on-line payment process when using a credit card or print your customized Dues Form to submit by mail or fax. Use the module at any time to check on membership dues status.

**Manage Your Membership Information**—Make changes to your name, contact information, password, and communications preferences through the on-line module. Your profile information automatically populates from the on-line *Membership Directory* when using electronic forms and ToXchange on the SOT Web site.

**Contact SOT Members**—Access *Membership Directory* and ToXchange, the secure, private member network on-line.

### UNDERGRADUATE STUDENT AFFILIATE

Those enrolled in an academic program leading to a bachelor's degree with an interest in toxicology or related biomedical sciences can register for this special status with SOT. Benefits include the following:

- Connection to the community of toxicologists
- SOT publications including Annual Meeting information and SOT newsletter, *Communiqué*
- Notification about student programs, opportunities, and travel funding

### SOT AFFILIATE

SOT has established a special category for private, public, and not-for-profit organizations that wish to contribute to the success of SOT by:

- Supporting the premiere toxicology society in increasing the scientific impact of and advocating for the value of toxicology
- Contributing to the success of the largest scientific meeting in toxicology and attracting scientists at all stages of their careers from around the globe
- Promoting the importance of education and building for the future of toxicology
- Encouraging activities aligned with the prediction and prevention of toxicity and disease

In appreciation of their commitment, an Affiliate receives:

- Access to member-restricted information on SOT Web site
- Three complimentary job postings and reduced rates for all other Career Resource and Development Job Bank services
- Complimentary registration for Annual Meeting for one attendee
- Prominent listing on the SOT Web site, *SOT Membership Directory*, and Annual Meeting signage and materials, including the *Preliminary Program*, and final *Program*
