Colgate-Palmolive Award for Student Research Training in Alternative Methods

The purpose of this award is to enhance student research training using *in vitro* methods or alternative techniques to reduce, replace, or refine use of animals in toxicological research.

SOT 55th Annual Meeting Awards Ceremony
Colgate-Palmolive Award for Student Research Training in Alternative Methods

Shirley Chang
Colgate-Palmolive Award for Student Research Training in Alternative Methods

Tshepo Moto
Awards Ceremony
Colgate-Palmolive Postdoctoral Fellowship Award in *In Vitro* Toxicology

This award is provided to advance the development of alternatives to animal testing in toxicological research.
Colgate-Palmolive Postdoctoral Fellowship Award in In Vitro Toxicology

Katherine Dunnick
Colgate-Palmolive Grant for Alternative Research

The purpose of this grant is to identify and support efforts that promote, develop, refine, or validate scientifically acceptable animal alternative methods to facilitate the safety assessment of new chemicals and formulations.
Colgate-Palmolive Grants for Alternative Research

David Pamies  
Lei Yin
Syngenta Fellowship Award in Human Health Applications of New Technologies

This award is presented to either a third year (or later) graduate student or a postdoctoral trainee to support mode-of-action research aimed at characterizing dose-dependent effects of xenobiotics on mammalian systems in such a way that the causal sequence of key events underlying toxicity is elucidated.
Syngenta Fellowship Award in Human Health Applications of New Technologies

Thomas Luechtefeld
Achievement Award

This award is presented to a member who has made significant contributions to the field of toxicology within 15 years since obtaining his/her highest earned degree.
Achievement Award

Lauren Aleksunes
Board of Publications Award for the Best Paper in *Toxicological Sciences*

This award is presented to the author(s) of the best paper published in *Toxicological Sciences*, the official SOT publication during the past year, July 2014–June 2015.
Board of Publications Award for the Best Paper in Toxicological Sciences

Arnold J. Lehman Award

This award is presented to recognize an individual who has made a major contribution to risk assessment and/or the regulation of chemical agents, including pharmaceuticals.
Arnold J. Lehman Award

Alan Boobis
Awards Ceremony
Distinguished Toxicology Scholar Award

This award is presented to a member of SOT who has made substantial and seminal scientific contributions to our understanding of the science of toxicology.
Distinguished Toxicology Scholar Award

I. Glenn Sipes
Education Award

This award is presented to an individual who is distinguished by the teaching and training of toxicologists and who has made significant contributions to education in the broad field of toxicology.
Education Award

Kenneth Reuhl

Awards Ceremony
Enhancement of Animal Welfare Award

This award, recognizes an SOT member for contributions made to the advancement of toxicological science through the development and application of methods that replace, refine, or reduce the need for experimental animals.
Enhancement of Animal Welfare Award

Warren Casey
Awards Ceremony
Founders Award

The Founders Award, sponsored by the SOT Endowment Fund, is presented to a Full, Emeritus, or Retired Full member of the Society of Toxicology who has demonstrated outstanding leadership in fostering the role of toxicological sciences in safety decision-making through the development and/or application of state-of-the-art approaches that elucidate, with a high degree of confidence, the distinctions for humans between safe and unsafe levels of exposures to chemical and physical agents.
Founders Award

Richard Adamson

Leading Edge in Basic Science Award

The Leading Edge in Basic Science Award is presented to a scientist who, based on his/her research, has made a recent, seminal scientific contribution/advance to understanding fundamental mechanisms of toxicity. The recipient should be a respected basic scientist whose research findings are likely to have a pervasive impact on the field of toxicology.
Leading Edge in Basic Science Award

Cheryl Lyn Walker
Awards Ceremony
Public Communications Award

This award is presented to recognize an individual who has made a major contribution to broadening the awareness of the general public on toxicological issues through any aspect of public communications.
Public Communications Award

Steven Gilbert

Public Communications Award

Gary Ginsberg
Awards Ceremony
Translational Impact Award

This award is presented to a scientist whose recent outstanding clinical, environmental health, or translational research, within the last ten years, has improved human and/or public health in an area of toxicological concern.
Translational Impact Award

Richard D. Beger
Awards Ceremony
Translational/Bridging Travel Award

This award is offered to assist with travel to the SOT Annual Meeting to either a mid- or senior-level scientist or clinician, with at least ten years postdoctoral research or clinical practice experience and who has an active research program, or currently is active either in the practice of clinical toxicology, medical toxicology, disease prevention, or in the application of translational toxicology.
Translational/Bridging Travel Award

Mohamed Salama
